What is a Lutheran?

Founded by Martin Luther in 1517, the Lutheran church teaches that a person is saved only by the grace of God through faith in Jesus Christ.

A Lutheran...

- ✚ Has a relationship with God by the faith that He gives us;
- ✚ Acknowledges his/her sinfulness and need for a savior;
- ✚ Believes that Jesus Christ is that Savior;
- ✚ Seeks to know God by following His loving Word given to us in the Bible.
