INVESTMENTS

Dear Parents and Supporters of Celebration 2020,

Thank you for supporting Celebration 2020 “Once Upon an Auction” tonight! We are blessed to have your support and appreciate all you do to make St. Hilary School the very special place that it is. Because of you, this yearly event is possible and our school is able to provide amenities that otherwise might not be available to our students.

This year, we hope to earmark funds raised at Celebration for a project that may not be very glamorous, but hopefully all would agree is a necessity: restroom renovations. Our primary hall boys’ and girls’ restrooms are original to the building from nearly 60 years ago and are in desperate need of renovation. We would like to replace the fixtures and partitions and make some cosmetic improvements to brighten these spaces and make them safer, cleaner, and drier. Besides the renovations proposed for the primary hall restrooms, we will also be evaluating all of our other restrooms to determine where a fresh coat of paint or other minor repairs may be needed. Together with the main hallway facelift we completed this past summer, this would mark phase one of a larger project. Phase two would include renovations to the main building entrance to make the building much more secure. Planning is just beginning, and more details will be released as they are determined, but for now we hope to pique your interest in supporting Celebration and raising funds for this important need.

We are blessed with outstanding students, staff, parents, and support from our parish and community. We appreciate the funds you raise, the time you give, and the commitment you make to Catholic education. Most of all, we thank you for entrusting us with your most precious gift – your child.

God Bless,

Mrs. Woodman and Mrs. Alexander

Dear St. Hilary Family and Friends,

Thank you for coming and supporting our 2019-2020 St. Hilary Celebration Fundraiser, "Once Upon an Auction." On behalf of the Parents' Association Executive Board, we would like to thank the creative, gracious and hard-working Celebration Chair Catina Stecz. She has been working tirelessly all year along with a wonderful group of Celebration Committee volunteers to host an amazing evening of fundraising and celebrating for our St. Hilary School Community.

We as a Parents' Association love to support our wonderful St. Hilary staff and students, and that could not happen without all the donations received from our annual Celebration Fundraiser. Thank you to everyone who has donated a Silent or Live Auction item, as well as the sponsorships we received. All of the proceeds raised tonight will go back to the school to support the students and staff of St. Hilary. A portion of those funds received will be slated for some exciting and much-needed building renovations.

Please take a look at all the terrific items up for bidding and bid generously and often! Don't forget to buy your tickets for the 50/50, Hot Lunch and Tuition Raffles!

Thank you all for generous support all year and enjoy the spirit of the evening. I know we are in for a lot of fun tonight!

Sincerely,

Brittany Root

Parents' Association President

Dear St. Hilary Family and Friends,

Welcome to Celebration 2020: Once Upon an Auction. For 24 years, Celebration has been an important community event that raises the funds needed to support our school. Over the years this event has been integral in providing the Improvements necessary to keep St. Hilary among the best Catholic schools in Northeast Ohio. From curriculum and training for our teachers to improvements in technology, the funds raised help to provide our children with the very best education.

This evening would not be possible without the support of the St. Hilary community. It is through your generous contributions that Celebration can continue to experience success each year. As with all things, change is inevitable. The decision to bring Celebration back to the St. Hilary building was an important one to allow us to showcase our school on this important night. We are fortunate that we have such amazing facilities that allow us to have Celebration right here at home.

One of my favorite quotes is from Harry Potter, "Help will always be given...to those that ask for it."

I would be remiss if I didn't thank those individuals whose help was essential in making Celebration happen. The St. Hilary Parents Association, especially president Brittany Root, thank you for your support! Without you I would not have been able to do everything needed to make Celebration happen. The guidance of Fr. Steve Brunovsky, Mrs. Woodman and Lou Camerato is so appreciated, without it, we would not have been able to have brought Celebration home to St. Hilary. Debbie Sinopoli, Stephanie Malick, and Mary Smith, your assistance was especially important in keeping all things Celebration organized. Dennis Bentley, Kirsten Bevilacqua and Meg Roake the work you have done cannot go unmentioned, and I want to express my deepest gratitude to you.

Being able to chair Celebration was my honor. As a new member of the St. Hilary community it was a fantastic opportunity to get to know many of the wonderful people here. I hope that you will have an amazing time as you enjoy the delicious meal provided by Vaccaro's and the music provided by Beach Boyz Entertainment. May the odds be ever in your favor, as you raise your paddles high.

With gratitude,

Catina Stecz
