

Dear Parents and Students,

As we move through Holy Week and prepare to celebrate Easter and take a break from instruction, there are a few things we would like to share with you. Please click [here](#) for a video message from Mrs. Woodman, and read on.

As a reminder, we will have our live streamed Holy Thursday prayer service Thursday at 9 am, after which we will begin our Spring Break. You can view the prayer service [here](#). Although travel is restricted during this year's Spring Break, we hope you will use this time, as we plan to, to rest and recharge with your families in light of all that has happened in the past few weeks, and all that lies ahead. We hope you will agree we can all use a little break. Our teachers will be sharing some ideas and activities to help keep students busy during the break, but this is not considered instructional time and these items will not be graded. Don't forget to check our [COVID-19 page](#) frequently for resources you can use to make the most of the time at home, as well.

Instruction via distance learning will resume on Monday, April 20. Teachers will inform you as to how to proceed with remaining work, including work and materials picked up last week. Due to the current circumstances, we will not issue formal interim reports for the fourth quarter, but teachers will be in touch with individual families if any issues need to be addressed. Teachers will also be communicating with families regarding procedures for turning in completed work. With a range of teaching styles and subject matter across the grades, we feel it is best to allow each teacher to establish his or her own procedures for the collection of work. You can expect to hear from teachers about this by the end of this week.

We hope you and your families have a Blessed Easter, and that you are able to connect virtually with family and friends who will be physically absent from your Easter celebrations. We would love for you to share photos of your Easter and Spring Break with us for our school Facebook page. Photos can be emailed to [dsinopoli@st-hilary.org](mailto:dsinopoli@st-hilary.org).

Until we resume on April 20, we would like to leave you with another [student-created video](#) to brighten your week and keep you #SaberStrong!

Happy Easter!
