

Dear Parents,

Part of what makes our school so great is the amazing efforts of our parent helpers. Listed below are various volunteer opportunities. Please take some time to consider how you can help during the 2020-2021 school year. We have an online volunteer sign up system so please go to www.st-hilaryschool.org / TELL ME MORE ABOUT... / Parent Involvement and Volunteering and click on the SignUpGenius link, and sign up today. Please contact Parents' Association Secretary Jenn Schlater at jennschlater@gmail.com with questions. Thank you in advance for volunteering your time!

Sincerely,
The Parents' Association
