With Tech Defenders coverage, in each servicing case, Tech Defenders will repair the Chromebook with the highest quality of parts, or reimburse the school for a device beyond repair. Hardware service can be obtained by taking the Chromebook to the designated personnel in the school technology department. The school tech department will handle submitting the claim, shipping the device, and tracking the repair.

TechDefenders Insurance: \$30 (cost for 1-yr. of coverage)

Deductible: \$0

If the parent/guardian chooses to opt out of the Tech Defenders coverage, the Chromebook should still be brought to the school tech department to determine servicing, but cost of repair or Chromebook will be at the expense of the parent/guardian.

Please complete the information on the following page, and return it to Saint Hilary School with your selection choice. **NOTE:** Chromebooks will not be distributed without Tech Defenders Insurance payment selection.
