

Second Grade Homework

Nightly Homework Assignments

Monday, Tuesday, Wednesday, Thursday

One lesson in Simple Solutions English expected time to complete 5 minutes

One lesson in Simple Solutions Math expected time to complete 10 minutes

Weekly Homework

- Study for spelling throughout the week... Test every Friday..... 5-10 minutes expected time, time varies per student needs
- Nightly reading (Try for three nights a week.) This could be novels, short books, RAZ Kids expected time 10-20 minutes
- Practice math facts-flash cards, practice timed tests, computer or apps
- (Try for two-three nights a week.) expected time 5 minutes
- Study for tests- these change weekly.
- Religion tests can be expected every 5-6 school days
- Science and Social Studies tests will be announced one week in advanced.

We recommend looking over test information 5 minutes in the evening a few days before the test. Reviewing smaller amounts of material at a time and reviewing material several times helps increase comprehension and retention of the information.

A project or book report will be assigned each month. You will have 3-4 weeks to complete. The topics vary based upon the time of year and what we are studying.
