Bus routes are set by Copley-Fairlawn early to mid August. You will receive a letter from the school district with your both your AM and PM bus number and pick up/drop off location. Only the am pick up time will be indicated in the letter. We will also have the routes at the Copley-Fairlawn busing table at the August Back to School Night.

Kindergarten and new students are placed on a route as long as they are registered with St. Hilary by August 1. You do not need to sign up with the district directly. Any students registering after August 1 should contact Katie George. She will contact Copley-Fairlawn transportation department on your behalf.

A small number of AM and PM routes require a transfer to a different bus at a Copley-Fairlawn school. If you have a question about your route, please contact Katie George.

If you are considering having your kindergarten child ride a bus, it is important that he or she begin doing so on the first days of all-day kindergarten. We will have volunteers walk the students to the buses the first 3 days of all-day kindergarten to "teach them the ropes". If you need to deviate from your child's normal dismissal routine at any time throughout the year, please send a note to his or her teacher.
