

Addendum to St. Hilary iPad Acceptable Use Policy

This document is in reference to the St. Hilary iPad Acceptable Use Policy. The following changes have been made under the **Section III: General Expectations**. These changes are specifically for students in grades 6 and 7. Please read the changes carefully regarding the iPad case policy:

III. General Expectations

7. iPads must always be within the protective cases when carried. **(The school will provide cases for Grade 6 & 7 iPad Air Models. For Grade 8, cases will be provided by parents for the iPad 2.)** iPads are never to be placed in a book-bag (unless in a padded technology pocket) or on the floor.

8. Cases provided by the school for the iPad Air 1 & 2 **(6th / 7th grade)** should in no way be exchanged with another student or defaced by the student. This includes removal of identification labels that should match up with the ID number on the iPad, keyboard keys, and further intentional mistreatment by the student. Like the iPad, these cases are property of the school, and must be returned with the iPad at the end of the year.

6th Grade

If cases are damaged beyond reasonable wear and tear for 6th grade students, the school will replace the case the **first** time. If the case is damaged beyond reasonable repair a **second** time, it will be the responsibility of the student/parent to replace the case with **only** the following case:

Zagg Rugged Book (Magnetic Hinged Keyboard and Case)

St. Hilary School will only replace one case per student for their three-year duration with the 1:1 iPad Program.

7th Grade

If cases are damaged beyond reasonable wear and tear for 7th grade students, it will be the responsibility of the student/parent to replace the case with **one** of the following cases:

Zagg Rugged Book (Magnetic Hinged Keyboard and Case)

Zagg Folio Backlit Tablet Keyboard Case

If the school issued iPad case batteries run out, it is the responsibility of the student/parent to replace the batteries.
