

# St. Hilary School Uniform Information For Grades 1-8 / 2017-2018

**We are excited to announce that we have a new school uniform supplier!**

## **WearNumberOne**

which has been carrying our school spirit wear for many years,  
will now be handling all of our school uniform needs  
and providing fast, personalized service for each St. Hilary School family!

To better serve you, each new student will receive a personal school uniform fitting. Following this fitting, parents will receive information on their child's sizes and how to order uniform items that have been approved for each grade level. Please refer to the 2017-2018 Dress Code information included with this notice for dress code details.
