Mellion Orthodontics wishes St. Hilary

Many congratulations on 60 years!

Our family knows the joy of celebrating milestones, having recently celebrated 40 years serving the Fairlawn community -- including many St. Hilary families!

Thank you for trusting us with your smiles! Best wishes for another 60 years of transforming lives!

www.mellionortho.com

Dear Parents and Supporters of Celebration 2021,

Thank you for supporting Celebration 2021: “Celebration of 60 Years”! We are so blessed to have your support and appreciate all you do to make St. Hilary School such a very special place. It is thanks to you that this yearly event is possible, and thanks to you that we are able to provide our students with opportunities and amenities that might not otherwise be available.

This year, we hope to earmark funds raised at Celebration for the construction of our new front entryway. This project and new design will greatly improve safety and security. In addition, we will be creating new space for our intervention services. This will allow for more quiet, independent working spaces for our students.

We are blessed with outstanding students, staff, parents, and support from our Parish and community. We appreciate the funds you raise, the time you give, and the commitment you make to Catholic education. Most of all, we thank you for entrusting us with your most precious gift – your child.

God Bless,

Mrs. Woodman and Mrs. Alexander

Dear St. Hilary Community,

Thank you for supporting the 2020-2021 St. Hilary Celebration Fundraiser, "Celebration of 60 Years." What an exciting milestone to celebrate for our wonderful school!

On behalf of the Parents' Association Executive Board, we would like to thank everyone who has made this event possible by donating an item, sponsoring the event, or volunteering time. All of the proceeds raised will directly support our school.

We would like to thank the creative and hardworking Celebration Chairs Brianne Alaburda, Brittany Root, Erin Klaus, and Tara Reuscher for organizing this year's amazing event.

Tonight, we celebrate our teachers and staff and thank them for all they have done throughout this unprecedented year to keep our students learning, together.

Please take a look at the fantastic items up for bidding, and don't forget your raffle tickets! Thank you all for your generous support tonight and throughout the year.

Sincerely,

Lisa Crane

Parents' Association President

Dear St. Hilary Family and Friends,

Welcome to Celebration of 60 Years – St. Hilary School. Despite the fact that this past year will go down as one for the history books, we knew we could not let our 60th Anniversary pass without a “celebration” to go with it.

What we have presented to you tonight started as an informal meeting in March at a time when we did not know how much support we would have for this event. To say this has been a challenging year for many is an understatement. But, as always, the St. Hilary community rose to the occasion in a resounding way. This evening would not be possible without your support. For all of the auction items, gift cards, raffle ticket purchases and bidding tickets, we sincerely thank you.

We would be remiss if we did not sincerely thank those individuals who were absolutely essential in making this year’s Celebration happen. The guidance of Fr. Steve Brunovsky, Fr. Matthew Jordan, Jennifer Woodman and Lou Camerato is so appreciated. A special thank you to Debbie Sinopoli for managing all of our email blast requests and always being so giving of your time. Laurel Kellerman worked tirelessly and shared her talent on all of the amazing graphics you see on the logo, program and invitation. Thank you to Alicia Perozeni for donating her time to help us put together the program that you are reading now. It truly takes a village...and we have an amazing one.

Another thank you goes out to all of our amazing sponsors for this year’s event. These companies and business stepped up to help in the largest way. Please support them when you can. An extra special thanks to Mellion Orthodontics for being our Diamond Sponsor this year.

Before we close, one of the reasons that we decided to get involved as co-chairs this year was the need to acknowledge the amazing year that we have had as a school. Despite all of the adversity, despite the fact that we dealt with the Coronavirus every single day of this school year, our children have been in school in-person learning; they have been thriving. The amazing leadership of Mrs. Woodman and Mrs. Alexander has brought us through this tremendously difficult time in our lives, and we will be forever grateful.

Being able to co-chair this year’s Celebration, with the most important end-goal of greater security for our building, has truly been our honor. We hope that you have an amazing time this evening, with your delicious food from Trattoria Vaccaro’s while watching our virtual live event. Bid early, bid often and thank you so much for all of your continued support.

God Bless,

Brianne Alaburda Erin Klaus Tara Reuscher Brittany Root
