Acceptable Use Policy

St. Hilary School

Diocese of Cleveland

In this the 21st century, we are in a time of new and ever changing technologies. We at St. Hilary School believe using new technologies, electronic resources, and Internet access enhance student learning and provide a quality educational experience for all students. It is our privilege to be able to offer use of such technological resources to enhance the educational experience. However, despite these benefits, the Internet reflects the values of a global society and can provide access to sites that would be considered inappropriate. The purpose of this policy is to ensure the proper use of the technologies while enrolled at St. Hilary School.

All users are expected to use the technology available at St. Hilary School in a manner that is consistent with the teachings and mission of the Catholic Church and the school's academic programs. Technology includes, but is not limited to, cellular telephones, beepers, pagers, radios, CD/MP3/DVD players, video recorders, video games, personal data devices, computers, other hardware, electronic devices, software, Internet, e-mail and all other similar networks and devices. Users are expected to be responsible and use technology to which they have accessed appropriately. Obscene, pornographic, threatening, or other inappropriate use of technology, including, but not limited to, e-mail, instant messaging, web pages, and the use of hardware and/or software which disrupts or interferes with the safety and welfare of the school community, is prohibited, even if such uses take place after school hours or off school property (i.e., home, business, private property, etc.).

Students must*:

1. Respect and protect the privacy of others.
 - a. Use only assigned accounts.
 - b. Decline to view, use, or copy passwords, data, or networks to which they are not authorized.
 - c. Avoid distribution of private information about others or themselves.
2. Respect and protect the integrity, availability, and security of all electronic resources.
 - a. Observe all network security practices as posted.
 - b. Report security risks or violations to a school administrator, teacher or network administrator.
 - c. Refrain from destroying or damaging data, networks, or other resources that do not belong to them without clear permission of the owner.
 - d. Conserve, protect, and share these resources with other students and Internet users.
 - e. Abstain from overriding the Internet content filtering system.
3. Respect and protect the intellectual property of others.
 - a. Refrain from copyright infringement (no making illegal copies of music, games, or movies).
 - b. Avoid plagiarism.
4. Respect and practice the principles of parish and school community.
 - a. Communicate only in ways that are kind and respectful.
 - b. Report threatening or discomfoting materials to a school administrator, teacher or network administrator.
 - c. Refuse to access, transmit, copy, or create material that violates the school's code of conduct (such as messages that are pornographic, threatening, rude, discriminatory, or meant to harass).
 - d. Avoid accessing, transmitting, copying, or creating material that is illegal (such as obscenity, stolen materials, or illegal copies of copyrighted works).
 - e. Abstain from using the resources to further other acts that are criminal or violate the school's code of conduct.
 - f. Avoid sending spam, chain letters, or other mass unsolicited mailings.
 - g. Refrain from buying, selling, advertising, or otherwise conducting business, unless approved as a school project.
 - h. Avoid posting or disseminating any harassing, demeaning, threatening or immoral comment or visual injurious to the reputation of the school, the parish, the Church or an individual, whether the action occurs on school property or off grounds.

*** Numbers one through four are not an all-inclusive list of inappropriate uses and activities.**

Consequences for Violation: Violations of these rules may result in disciplinary action, including the loss of a student's privileges to use the school's information technology resources. Users have the responsibility to use technology resources in an appropriate manner. Consequences of misuse or abuse of these resources will be disciplined depending on the severity of the situation.

Supervision and Monitoring: School and network administrators and their authorized employees periodically monitor the use of information technology resources to help ensure that uses are secure and in conformity with this policy. Students have no expectation of privacy with respect to the use of technology resources. Administrators reserve the right to examine, use, and disclose any data found on the school's information networks in order to further the health, safety, discipline, or security of any student or other person, or to protect property. The school administration has the right of access to any electronic devices brought onto school property. They may also use this information in disciplinary actions and will furnish evidence of crime to law enforcement should one be committed.

Agreement form: In order to ensure the proper use of technology resources, it is necessary that each user and parent/guardian annually sign the attached Student Acceptable Use Policy – User Agreement Form. The signed form must be on file at St. Hilary School before Internet and other technology access is permitted. Signing the form indicates that the user will abide by the rules governing Internet and other technology access as stated in this policy.

The school reserves the right to issue additional or more detailed rules for the use of technology resources, and violations of such rules may be a cause for imposition of any of the penalties delineated above.

The school reserves the right to seek financial restitution for any damage caused by a student.
