

# iPad Information Meeting

Dear Parents,

Your child will be issued an iPad to use at St. Hilary School for the 2016-17 school year. This will be our 4<sup>th</sup> year utilizing iPads for daily usage in the junior high, and we are looking forward to introducing your child to the 1:1 program.

This year we are also excited to have all 6<sup>th</sup>-8<sup>th</sup> graders using the iPad Air. It is our hope that we can provide you and your child with a smooth transition into this program. In an effort to do so, we will be holding a 1:1 iPad Program Meeting for parents of incoming 6<sup>th</sup> graders on the following dates/times. This will allow both you and the tech team ample time to ensure that each student is ready to receive their iPad in the fall.

At this meeting you will receive information regarding the iPad Acceptable Use Policy, insurance, Apple ID setup for the student, & school management of the iPads. Please note that this meeting is only for parents, and only one need attend.

Below are the 1:1 iPad Program Meeting days, please select the date/time that works best with your schedule. Remember, you need only to attend one of the days. **The meeting will be held in the computer lab.**

- **Monday, April 11<sup>th</sup> – 7:45 – 8:30 a.m.**
- **Wednesday, April 13<sup>th</sup> – 5:30 – 6:15 p.m.**

We plan for meetings to last approximately 30-45 mins. to allow time for questions. Bring your calendar, as well as we will be offering signups for dates/times to work with parents to setup your child's Apple ID.
