## The Most Holy Trinity

God so loved the world that he gave his only Son, so that everyone who believes in him might not perish but might have eternal life. For God did not send his Son into the world to condemn the world, but that the world might be saved through him. *Jn 3:16-17*

## DATE & SUBJECT

**June 11, 2017 — The Most Holy Trinity**

*“Whoever believes in him may not die.” (John 3:16-18)*

To hear many people talk, religion is all about condemnation and

judgment. It’s one of the reasons most often cited by people who leave the church: it is all so negative and smug. It’s also one of the main reasons some people, particularly fundamentalists, flock to churches. It gives them a high moral ground on which to stand and look down on others.

Jesus sounds exasperated in his exchange with Nicodemus, who is a teacher in his own right. Jesus wants him to understand that God’s desire is not to consign sinners to hell, but to save the life once so generously brought into being. The coming of the Son cannot be separated from the original act of creation and generation. Both are for life, and not death. The God who loves the world and the Son who comes to save it are One.

Moses pleads for the Lord’s company. How do you invite the companionship of God? The doctrine of the Trinity has been called the central tenet of Christianity. How does it affect your understanding of faith? Do you participate more in the saving of the world, or in its condemnation?

*Application: Spend some time this week contemplating the three-ness of God. Find a way to honor God as Creator: enjoy the beauty of nature. Honor God as Redeemer: help a sister or brother in need. Honor the Holy Spirit of God: seek wisdom in prayer.*

## From the Pastor

Greetings of Peace as we remember the Blessed Trinity this weekend. May God bless each of us, "In the name of the Father, and of the Son, and of the Holy Spirit."

Since we just celebrated Pentecost last weekend, I came across these words of wisdom from Pope Francis. He suggests that we all get "a spiritual EKG" to make sure heart pulsates with Holy Spirit!

The "Catholic News Service" published these words from Pope Francis, about Pentecost, our faith, and the Holy Spirit.

"Never speak, act or make a decision without first listening to the Holy Spirit, who moves, troubles and inspires the heart," Pope Francis advised.

A cold and calculating heart...is closed to the Holy Spirit...

Knowing God and his commandments, and being good are not enough, the pope said. One must also receive God's gift of the Holy Spirit and let him "trouble" the heart.

If people were to get a "spiritual electrocardiogram," the pope asked, would it be flat-lined because the heart is hardened, unmoved and emotionless or would it be pulsating with the prompting and prods of the Spirit?

"Am I able to listen him? Am I able to ask for his inspiration before making a decision or saying something or doing something? Or is my heart serene, without emotion, an immobile heart?"

A Christian cannot just listen to their head and calculated reason, he said. They must learn to listen and discern what the Holy Spirit is saying to their hearts, too, "because the Holy Spirit is the master of discernment."

"A person who does not have this movement in the heart, who doesn't discern what is happening, is a person who has a cold faith, an ideological faith," he said.

The pope asked people to reflect on their relationship with the Holy Spirit and pray that the Spirit guide them in the choices they make.

"I ask that he give me the grace to distinguish the good from the less good because good can be distinguished from evil easily," the pope said.

"...be open to and obey the Holy Spirit because we are all on a journey."

May God bless you on your journey, and have a great week!

Blessings and Peace,

*Fr. Gary*

All the spring planting has been done. Thank you to all of the volunteers who helped put the annuals in and weed the garden. A special thank you to the children who planted seeds and bulbs!

The garden is an amazing asset to the church and a wonderful place to just sit quietly and reflect and pray and to have your wedding pictures taken.

We plan to pray the Rosary in the garden every Wednesday at 10 a.m. during the months of June, July and August. Please join us!!!

In the meantime, we are still in need of volunteers for the maintenance of the garden. Trimming, deadheading, weeding – there is always something that needs to be done. Any amount of time is welcome. Volunteers make their own schedule and it is a fun project for families to volunteer on together!!! Call Samantha Taylor (440) 715-5108 for information.

### **WOMEN'S GUILD** **BLACK AND WHITE LUNCHEON**

The Black and White Luncheon sponsored by the Women's Guild was a roaring success on May 11<sup>th</sup>. The Sisters of Notre Dame who served at our Parish were invited, 12 Sisters attended the lunch and special thanks to them was given. Old friendships were renewed with the wonderful memories of St. Joan of Arc. Sister Margaret Gorman SND, Provincial Superior of the Chardon Province was the speaker, and everyone enjoyed her words!

Molly Gebler of the Chamber of Commerce, narrated the fashion show with fashions from five different Chagrin Merchants. It turned out to be a fun fashion show!

Thank you to everyone who donated a silent auction item, and

happy to report that over \$3,000 was raised for our Parish.

The Women's Guild announced that Sister Ann Marie Kanusek was our "St. Joan of Arc Woman of the Year for 2017". A brick will be placed in the Garden of Life in her honor.

If you missed this great event this year, we are hoping that you can attend next year. Many thanks to our Parishioners and friends for your wonderful support for the annual luncheon.

*God the Father so loved the world that he gave his only Son that we might believe and have eternal life. The Christian family is a church of the home that is an icon of the Trinity. Mothers, fathers, and grandparents can model love and virtue in such a way that all family members see the ways of God and can imitate them. Seeing is believing.*
