

Cast Iron Sizzling Servers

Cook and serve it up hot and delicious. Tomlinson's new pre-seasoned cast iron Sizzling Servers turn any hot side or appetizer into something special ... and especially appealing. And the excellent heat retention of cast iron keeps foods warmer longer.

The rustic simplicity of cast iron adds flair to any setting from casual to gourmet. From oven to table, Sizzling Servers are ideal for vegetables, potato dishes, hot dips and sauces, and even warm desserts like apple crisp.

Choose oval, round, or rectangular shapes, each in two sizes, for just the right complement to your food and atmosphere.
