

New cup size? Simpli-Size™ It!

Introducing the cup dispenser that changes instantly to accommodate any size cup! Tomlinson's new adjustable cup dispenser with the exclusive new **Simpli-Size™ adjustment*** makes it fast and easy to change cup sizes. With a simple twist, the dispenser adapts to fit "big gulp" cups or small coffee cups and every size in between.

No dismantling the cabinet and removing the dispenser insert to change cup sizes. No more tools. No need for multiple cup dispensers. Just turn the Simpli-Size adjusting collar and change the cup size as quickly as you can change your mind.

Call Tomlinson today and try it on for size!

Simpli-Size™ Cup Dispenser

Simpli-Size™ Cup Dispenser

It's a real revolution in cup dispensers! Other cup dispensers require tedious adjustments to change cup sizes, but with one turn, all three Simpli-Size fingers adjust at once for simple, simultaneous, snap-into-place adjustment. Fast and easy!

- Spring-loaded dispenser for in-counter or in-cabinet use
- Easy to mount/install
- Can be installed vertically, horizontally, or diagonally
- Easy to clean/dishwasher safe
- Accurately and gently dispenses paper, plastic, and soft foam cups
- NSF listed
- Constructed of NSF-listed and FDA-grade materials
- 1-year warranty

Dispensers come in two sizes for the cup sizes you use most.

Size	Part No.	Lip Diameter	Length	Case qty.
Small/Medium	1023593	3" - 3-3/4" (76 - 95 mm)	23"	6
Medium/Large	1023095	3-3/4" - 4-3/8" (95 - 111 mm)	23"	6

With one simple twist, the dispenser adapts to fit "big gulp" cups or small coffee cups and every size in between.

Tomlinson's exclusive Simpli-Size cup dispenser changes instantly to accommodate any size cup!
