

Elegant Food Presentations With Tomlinson's New Skateboard Servers

Skateboard Servers make food presentation elegant and easy.

- Made of Richlite® heat-resistant surfaces
- Bottom skid-resistant feet to bring food up and off the table
- Great for antipasto, cheese samplings, appetizers, artisan breads and dessert presentations.
- Available in natural or black and in two sizes:

1023541	½" thick x 7" wide x 17" long	Black	\$123.20 list each
1023992	½" thick x 6" wide x 14" long	Black	\$103.00 list each
1024095	½" thick x 7" wide x 17" long	Natural	\$119.00 list each
1024096	½" thick x 6" wide x 14" long	Natural	\$95.60 list each

Richlite heat-resistant surfaces are made of resin-impregnated paper composite and are NSF approved. The dense surface protects knives and helps resist dulling. Richlite surfaces are stain and water resistant and are dishwasher safe.
