

"EICC Conflict Minerals Supplier Response"
For: Tomlinson Industries

Dear Sir/Madam:

Tomlinson Industries does not directly purchase "conflict minerals" as defined by Dodd-Frank Wall Street Reform and Consumer Protection Act (2010) from the Democratic Republic of the Congo or its surrounding countries.

We confirm that Tomlinson Industries does not intentionally add conflict minerals (tin, tantalum, tungsten or gold) in any form as intentional ingredients during the manufacture of products. To the best of our knowledge, none of our raw material suppliers add these substances during the manufacture of their products.

If you have any further questions, please contact John Silcox , quality assurance manager.

Sincerely,

Tomlinson Industries
