New chase & storm collar

Rusting chase & collar

Chimney discoloration due to rust

Have you looked at your chimney lately?

Is the metal chimney cover over 15-20 years old?

Is it showing signs of rust?

Is rust dripping down the sides of your chimney staining your siding and roof?

Do you hear dripping inside the chase when it rains?

We can fix this by replacing that old rusted chase cover with a new cover and storm collar, usually same day!*
