Rodney is a man of many trades. Rodney was a General Laborer in the Steel Mill. He was also in the Army for four years, and worked in a factory for a short time. Then he joined the Cleveland Police force. He became an apprentice Carpenter, then a Master Finish Carpenter. Rodney also worked in Real Estate too.

January 6th, 1945 Rodney married the love of his life Rita. They got married in a Catholic church in Austin, Texas and had a honeymoon in Niagara Falls. Shortly after they were married Rodney was shipped overseas with the Army. Rodney and Rita had four kids, two boys and two girls. Some of Rodney's hobbies include, hunting rabbits and pheasants, and watching football. Rodney enjoys watching sports games rooting for his favorite teams the Browns and Indians. In the past, Rodney enjoyed collecting arrow heads that he found when plowing the farm. His favorite foods include mashed potatoes and gravy.

Rodney loves dogs and horses, having many over the years. His family described Rodney as perseverant. They also described him as patient, almost to a fault. Rodney is also described as having a strong work ethic, taught to him by his grandfather. Rodney had learned his strong work ethic by working on the farm where he grew up.

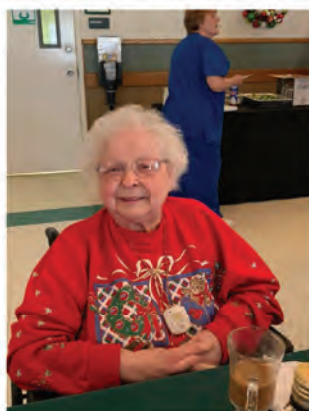

A favorite memory the family had was when Rodney found an innovative way to plow his drive way. The family remembers when Rodney put a sheet of plywood to the front of the car and used it as a plow during winter.

SPINACH DIP BITES

INGREDIENTS

- 2 cups frozen spinach chopped and thawed
- 6 oz artichoke hearts drained and chopped
- 1/2 tsp garlic minced
- 2 tbsp parmesan cheese grated
- 4 oz cream cheese softened
- 3/4 cup mozzarella cheese shredded and divided
- 1/2 tsp garlic salt
- pepper to taste
- 1 can seamless crescent dough

INSTRUCTIONS

1. Preheat oven to 375.
2. In a bowl, combine spinach, artichoke hearts, garlic and Parmesan cheese. Blend in cream cheese and half of your mozzarella cheese. Season with Salt and pepper and set aside.
3. Using a rolling pin, lay out dough on a cutting board and lightly stretch to a 8 x 12 rectangle. Cut dough into 2 inch squares, so you have 24 squares total.
4. Lightly grease a mini muffin tin and place a square in each slot, gently pushing down to create an indent. (you don't need to mold to the cup.)
5. Scoop one teaspoon of your spinach mixture on top of each crescent square and gently push in, (bites will mold to your tin while baking). Spread the remaining mozzarella cheese over the tops of each cup.
6. Bake at 375 for 15 - 17 minutes, until golden brown. Let cool for 5-10 minutes before moving from tray. ENJOY!
