901 West Lafayette Road, Medina, OH 44256

Dear Artists:

Did you know that in Medina County alone, **25,000 people are surviving at or below 200% of the Federal Poverty Level just to meet basic needs?**

Feeding Medina County is a grass roots effort that has been created to identify the need to increase food availability to Medina County food pantries and to feed more of our community's most vulnerable citizens. At our monthly food distributions, we are now **providing upwards of 800+ people with food.**

On **March 2, 2013** Feeding Medina County will be hosting their 2nd Annual Fundraiser, ***Breaking Bread on Bourbon Street: An Evening of Art & Jazz***, to help fund the programs Feeding Medina County is providing to those most in need.

Part of the evening's events will include an Art Silent Auction 'along Bourbon Street'! This is where we need **you!** To make this event a success, we are seeking donations from local artists. Your work of art, whether it is photography, painting, sculptures, pottery etc. , is tax deductible and will be promoted throughout the evening's event. In addition, pieces of donated art will be featured at random on Armstrong's Channel 4 to give the public a preview of what will be available.

Please consider helping the hungry with a donation to Feeding Medina County's fundraiser. For more information, or to make a donation, please contact Allison at 330-722-3141 x228 or apreiss@agoc.com
