## Government

---

Since 1972, our primary mission has been  
to lobby local governments on behalf of the  
local building industry at all levels.

This is accomplished by community  
involvement. The Medina County Home  
Builders Association has been or is currently  
active in the following:

- Medina County Planning Commission -  
Various committee memberships.
- Medina County Building Department  
- Coordinate meetings with local building  
officials.
- Medina County Park District - Potential  
development of new wetlands and the  
subsequent wetlands credits.
- Medina County Economic Development  
Corporation - Active in the Business Land  
Use, Marketing and Education Committees.
- Medina County Schools - Working with  
local schools to promote the building industry,  
participating in the College / Training / Tech /
