

We Challenge You ... Get The Most out of Your 2026 Membership ... Get Involved!

You get out of anything what you put into it ... that's why the Medina County Home Builders Association provides its members with a wealth of opportunities to not only become more knowledgeable in the industry, but to meet, greet and work with fellow members. Experience demonstrates people do business with people they like, know and trust ... Here are the activities and events you can expect and plan for throughout 2025 (and potentially more):

Annual Golf Outing - Aug. 27, 2026

This event is one of most 'highly anticipated' events of the year. A fun day of golf at Bunker Hill in Medina with friends and members is just what the doctor ordered. Play golf, bring your friends (non-members welcome), sponsor a hole, donate a prize, enjoy dinner - we even offer 'dinner only' for those who don't golf. It's the perfect time to kick back and network with your fellow members and meet new friends. Golf packages include a box lunch, 18 holes of golf, lots of competitions, games and prizes, and a delicious dinner. Don't miss it!

MARKET WATCH | ANNUAL MEETING

Annual Financial Forecast - January 22, 2026

This annual meeting offers members the opportunity to vote on important association issues and gain an inside peek as to what to expect from economic experts who are in the know. You meet and mingle with other members in an informal, friendly setting during the meeting. It's the perfect way to plan for success and have an idea of what's ahead and how to plan!!

MEMBER MARKETING OPPORTUNITIES

Parade of Homes - typically held May and October

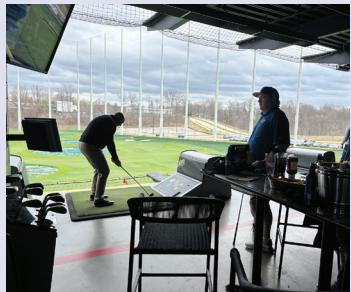

These shows are MCHBA's biggest annual builder events. This event provides builders the opportunity to showcase their construction expertise to consumers and share features, trends and exciting new products available in the residential market. Builders enjoy the advantage of increased marketing and advertising the Parade offers, often more than most builders would spend individually. Past experience has proven builder participants typically land more work, find new customers and fill their pipeline with future projects which helps all members - builders and associates alike. Parade dates are subject to change and are held when enough participants commit. Planned dates for 2026 are May 2-10 and October 2-11, weekends only. Check with the HBA for final confirmation.

BOARD PARTICIPATION

Temporary Annual Board Positions for Associate & Builder Members - one-year terms

Want to be part of the leadership of this organization? We encourage members to consider serving a one-year term on the Board - one Associate member and one Builder member each year. There's no better way to learn first hand, get involved and make a difference. Ask a current Board Member for more information and jump in with both feet.

Sponsorship Opportunities - Associates can participate in most events through support

Most member events offer associates the opportunity to get involved in a variety of ways including supplying products and/or services and potentially sponsoring the event to help the events be more successful through increased marketing and advertising. As a member, you will be contacted regularly by the association with information on upcoming events through direct emails and announcements at other events. To support our community, a portion of the proceeds for each event will be donated to a local charity.

When networking, one builds a professional circle that can expand to include other circles. It's often said "never underestimate the power of your network," and this rings true as our networks are incredibly valuable resources in today's world. There is so much you can gain and that you can provide through connections.
