

THE Counseling CONNECTION

St. Hilary School
Mrs. Eldred and Mrs. Parisi

In October the students, parents and staff were treated to an inservice by Dr. Marcia McEvoy regarding what we can do to reduce student cruelty and to enhance caring and connected relationships. The students were taught the following for bothering/bugging/annoying behaviors.

To respond in a calm-neutral face, firm but matter-of-fact voice, good eye contact and say:

1 That's bothering me. Please stop.

(say "Thank you" or count to 5)

2 That's bothering me. Please stop.

(say "Thank you or count to 5)

3 Stop or I will report it.

(say "Thank you" or report it.)
