OTHER:

**Schools are not required to complete nor turn this form in to APS! Guardians are responsible to submit this for to APS for transportation consideration. Submission to a school may result in a delay of service.

> Akron Public Schools provides a variety of transportation services to our community. We offer transportation services via an APS yellow bus, a contracted yellow bus provider, or a stipend, called payment-in-lieu, for parent/s transporting their student/s when necessary.

> Akron Public Schools Transportation Department is solely responsible for deciding who is eligible for the payment-in-lieu stipend. A request cannot be made to solely receive payment-in-lieu instead of riding a yellow bus should a bus be available.

> Akron Public Schools is not responsible for providing transportation services for scholarship students or any student with an IEP marked as requiring transportation services. For these situations, please contact your student's school of attendance.

THINGS TO KNOW BEFORE COMPLETING AN RFT

*Legal Guardians req required to complete and submit the RFT to Akron Public Schools. Schools are not required to submit completed forms to APS for transportation consideration.

*If married and residing together, BOTH parent names must be listed on the "Name/s" line

*An RFT is required EVERY school year for students attending charter, parochial, or non-public schools; APS does not assume a student would like to be considered for transportation services.

*An UPDATED/NEW STUDENT is a student that is considered new to a school or transportation services for the current school year, moving to a new address, has change in guardianship, has not requested services or has had an interruption in services during the current year or previous years. This type of student will require current proof of residency submitted with the RFT. Please see the back of this form for acceptable forms of residency. It is highly suggested to submit a birth certificate, also.

*A student that is attending the same school as the previous year, has not moved or changed guardianship, nor had an interruption in services is considered RENEWAL W/NO CHANGES.

*Charter, Parochial, & Non-Public Schools are not required to complete nor submit and RFT on a guardian's behalf. The guardian is required to submit the RFT directly to Akron Public Schools for transportation consideration.

*The RFT is only for students in grades KG to 8th attending Charter, Parochial, & Non-Public Schools. APS and High School students may not use the RFT.

GUARDIAN SIGNATURE IS REQUIRED:

By signing and dating this form (required), I state that I have read and agree to the stipulations listed.

Furthermore, I am requesting consideration for transportation services for the above-named student/s. Completion of this formal request DOES NOT GUARANTEE transportation services for my student/s.
