

WHAT CAN faith do

Just days after St. Hilary School closed the door on its 60th anniversary year, construction began that would open new doors - literally - for the school. Thanks to funding from the St. Hilary Parish Foundation and St. Hilary Parents' Association, the summer of 2021 was a busy one at the school, with extensive renovation to the school's main entrance and office spaces. The entrance from the parking lot was enlarged and enclosed, allowing for two sets of locked doors with a vestibule area, to permit greater building security. Inside, a large classroom was transformed into the new school office space, housing a secretarial / reception area, staff mailboxes, a conference room, copier, staff workspace, and ample storage. The new office location immediately inside the entrance replaced the previous office space, which was accessible only after walking through the main corridor of the building. The previous school office space continues to house administrative offices and the school clinic, but is now also home to a dedicated intervention services space where students can receive tutoring and various therapies to better serve them and help them succeed. With a total project cost of \$259,339, the St. Hilary Parish Foundation underwrote \$140,000 of the cost, while the St. Hilary Parents' Association funded \$100,000.

THE FUTURE BEGINS HERE

On the heels of the school's 60th anniversary celebration honoring the past, projects such as this help to ensure that the school's tagline, "The Future Begins Here", remains true as time marches forward. But the Foundation doesn't simply provide funding for brick-and-mortar projects. Knowing that a school is truly built upon the people inside it, next month, the Foundation will offer a slate of 16 scholarships totaling \$26,600 for which students returning to the school in 2022-2023 may apply. Begun in December 2015 for the 2016-2017 school year, the Foundation's ambitious scholarship initiative has awarded 102 scholarships totaling \$201,700 since its inception. Of these, 18 scholarships, totaling \$26,600, were awarded in 2021. These scholarships provide funds to students who are selected based on meeting the criteria established by the scholarship donors. They include the Friend of St. Hilary Scholarship, the Mother Teresa Scholarship, the Sr. Carol Joy Scholarship, the St. Aloysius Scholarship, the St. Hilary R.E.D. Scholarship, the Striving Saber Scholarship, the Ralph and Florence Bernard Scholarship, the Rev. Steven Brunovsky Catholic Leadership Scholarship, the Edward L. Gilbert Family Scholarship, and the St. Hilary Parish Foundation Tuition Assistance Scholarship. For the students and families who receive these scholarships, the additional funds often mean the difference between being able to continue a St. Hilary School education and needing to look for another option.

THE FUTURE BEGINS HERE

DIRECTOR'S MESSAGE:

When was the last time you mentioned the grade school you attended? Usually, when the question of school comes up, people quite naturally talk about where they went to college or gush about their high school days. I almost never hear people talk about where they went to grade school, do you?

If you think about it, elementary school is actually where our future begins. It is the place that prepares us for our high school, college and life experiences. It's those patient teachers, helpful aides, responsible administrators, energetic playground monitors, and friendly office and maintenance staff who helped to create the early foundation for our later successes. St. Hilary School educators encourage curiosity and inspire creativity, while introducing rules and self-discipline. They do this along with fostering the growth of students' faith and helping them to develop life-long social skills and friendships. It has been part of the educational foundation for our children for over 60 years, and has shaped the future for more than 3,500 boys and girls since 1960.

My two sons, Chris and Ben, are graduates of St. Hilary School, and my husband and I are very grateful for the exceptional education they received. St. Hilary helped to prepare them well for their futures at Archbishop Hoban High School, the University of Notre Dame for Chris and The Ohio State University for Ben. St. Hilary's outstanding faith-filled curriculum, athletics, clubs, and service helped to build skills and character that carried them forward to successful and meaningful careers - Chris as a pediatrician and Ben as a commodities trader. It has been years since my sons attended St. Hilary, and the current curriculum and campus have been greatly enhanced over the years through support from the St. Hilary Parish Foundation to provide new technology, school improvements, programs, and much more. These grants from the Foundation have helped to keep the future viable for students at St. Hilary School for years to come.

The Foundation has supported our school and church since 1976. Over the past 45 years, the future of St. Hilary Parish has depended on the generosity of parishioners, school parents, alumni, and families of our community to the St. Hilary Parish Foundation. Beginning with seed money from founding pastor Fr. Edward Horning and generous contributions of approximately \$400,000 in 1976, the Foundation has grown to over \$11 million today. Most importantly, the Foundation has been able to secure the future by granting over \$4.5 million to address the many

needs of our church and school throughout the years.

We have achieved a great deal since 1976, but there is much left to be done. We are truly grateful for gifts large and small, and recognize that your generosity has a lasting impact on the future of the St. Hilary community. As the St. Hilary Parish Foundation marks 45 years of support and commitment to St. Hilary Church and School, please consider adding the Foundation to your list of charitable giving recipients. I welcome the opportunity to discuss giving options with you to help continue to build our funds, so that together, we can ensure a strong future for our Parish. Please contact me at 330-608-4787 or d.sarkis@sthilaryfoundation.org. Your support is greatly appreciated!

WHAT CAN YOUR FAITH DO?

PASTOR'S MESSAGE:

This year at St. Hilary, our students have as their theme "What Faith Can Do" and as their patron Blessed Carlo Acutis. Blessed Carlo was a young man from Italy who had a deep devotion to Jesus in the Blessed Sacrament, played soccer and video games, and was very tech savvy. He is the first potential saint of the millennial generation, as he died

at the age of 15 years old from acute leukemia in the year 2006. Carlo was known for his extreme friendliness and kindness, and would talk to anyone no matter their station in life. He combined his love of technology and the Eucharist by creating a website and a traveling exhibit on the Eucharistic Miracles. So in love was he with the Eucharist that he petitioned his Bishop to receive his First Communion one year early, and afterward attended Mass daily. He said that the Eucharist was his "Highway to Heaven"! Faith was the driving force of his life, even though he was in many ways just a regular modern kid. But what difference did faith bring? Carlo lived for others, and not for himself. He was always focused on God, Jesus, and the poor, and he did not waste a minute, so driven was he by the power of faith! Carlo loved St Francis of Assisi and the town of Assisi, and is buried in the Cathedral Church in Assisi. His feast day is October 12, the day of his death.

Blessed Carlo Acutis' life was clearly guided by his faith. But what can faith do? A good question for all of us to ponder! What has your faith done for you? What has your faith done for others? Speaking personally, the gift of faith has created the entire meaning and purpose of my life. From the celebration of seasons and holidays, to the structure of prayer and work throughout my day, to my interactions with parishioners and family, to my motivations and priorities, all of these are influenced by my Catholic faith. I know that this is also true for many of our

parishioners. Their commitment to prayer, the sacraments, faith formation and service shows that faith is doing great things in their lives!

Another aspect of what faith can do is in the realm of our charitable work. Faith has motivated many people to generously give of their monetary blessings in order to support the faith. Whether this is in donating to the parish, Catholic Charities, St Vincent de Paul, or another charity, the motivation is the same...faith! One possibility for making a difference that is motivated by faith is the St. Hilary Parish Foundation. Donors to the Foundation are motivated by the desire to support their faith community, namely St. Hilary Parish and School, for many years to come! Some donors have even expressed their particular passion, whether that be education, music, liturgy, or vocations by aligning their gift with a particular ministry. Since Foundation funds are invested wisely and spent conservatively, these donors will be supporting the St. Hilary Community perpetually!

So what can faith do? It can change the future! It can change lives! It can create and support a vision of a vibrant faith community here at St. Hilary for many years to come! Please consider a gift to the St. Hilary Parish Foundation...and see what YOUR faith can do!!!

In Christ,
Fr. Steve Brunovsky
Pastor

Blessed Carlo Acutis

WHAT FAITH CAN DO

Continued from Page 1

The names of the recipients are not published in order to protect their privacy, as many of these scholarships are based on financial need; however, a few recipient families agreed to be identified and share their thoughts on the scholarships for this report.

THE IMMEASURABLE VALUE OF A CATHOLIC EDUCATION

For the family of eighth grader Sam Cottrill, receiving the St. Hilary Parish Foundation Tuition Assistance Scholarship for both 2020-2021 and 2021-2022 was a double blessing as Sam's mother, Carol, lost her job due to COVID-19. Carol and her husband Robert are grateful that the scholarships have enabled them to provide a Catholic education at St. Hilary School for Sam.

Sam Cottrill

The Cottrills say, "Catholic education is important to us because we wanted Sam to develop a strong moral background and to become a leader, as well as care for and serve others who are in need." As the school's Student Council President for this school year, Sam is doing just that.

Seventh grader Amara Avalos, new to the school last year and already making her mark as a Catholic leader among her peers, received the Knights of Columbus Scholarship and the Rev. Steven Brunovsky Catholic Leadership Scholarship for 2021-2022. Amara's parents, Pedro and Sara, share that, "As parents, what we value most is the fact that St. Hilary School is providing a constant message and example of Catholic virtues in an ever-changing society, teaching our children to act in a way that is prudent, in addition to providing opportunities to encounter Christ. We are humbled by the scholarships

We are humbled by the scholarships

our daughter has received. With the additional financial support, Amara is guaranteed to remain in a Catholic institution during her most critical stages of faith formation. We feel this is of paramount importance for her to truly discern what the Lord has intended for her."

UNPLANNED JOURNEYS

Also new to the school last year was fifth grader Lexi Marion, who received the 2021-2022 Mother Teresa Scholarship. Keith and Danielle, Lexi's parents, say that while their journey at St. Hilary was not something they had planned, it is now something they feel very strongly about. "We honestly didn't know or understand how much a Catholic education at St. Hilary would mean to us until we started this journey. We have watched our child grow tremendously over her time at the school. She has blossomed into a child with confidence, determination and a drive for success. She has found her Catholic faith and could not be happier. The changes and happiness we see in our daughter are immeasurable. Receiving the scholarship made our decision financially much easier. It also gave Lexi a chance to see firsthand how hard work pays off. Our family is so very grateful for this opportunity."

Becca Gardiner

Becca Gardiner was a new kindergartener last year when her family applied for one of the scholarships. Her parents, Larry and Carrie, share that "Becca was blessed last year with a late acceptance* to the St. Hilary family. After about two weeks of kindergarten, she came home one evening thanking us for sending

MEMORIAL AND TRIBUTE SCHOLARSHIPS RECOGNIZE STUDENTS

Some of the scholarships supported by the St. Hilary Parish Foundation and its donors are awarded without students or families applying for them, simply because the recipients are recognized as bearing qualities reminiscent of the individuals the scholarships honor, or because they embody ideals the scholarships promote.

The Kevin Thomas Neff Scholarship honors St. Hilary School graduate Kevin Neff, who died of a brain tumor while in high school, and annually provides a \$1,250 scholarship to a seventh grader who exemplifies the characteristics Kevin aspired to during his life. In the 2020-2021 school year, the Kevin Thomas Neff Scholarship was awarded to Madeline Solomon.

The Jane Klenotic Scholarship honors long-time St. Hilary School second grade teacher Jane Klenotic, who lost her battle with cancer in 2014, and annually awards a \$1,000 scholarship to a second grader who has the attributes of spiritual, academic and personal character that were important to Jane. Jude Slanina was the second grader chosen to receive the 2020-2021 Jane Klenotic Scholarship.

The Jimmy Lyons Geography Bee Scholarship Fund was begun in memory of St. Hilary School 2006 graduate Jimmy Lyons, who was a four-time winner of the school's geography bee and a state bee competitor, and passed away in 2011. This \$500 scholarship is awarded to the winner of the school's geography bee each year. No geography bee was held in 2021 due to COVID-19, so no scholarship was awarded.

Finally, two \$500 St. Hilary Athletic Association scholarships are awarded through the Foundation each year to two St. Hilary School eighth grade student athletes who meet a slate of athletic, academic, and character requirements. The scholarships are applied to the recipients' high school tuition. In May 2021, Daniel Bisesi and Finley Kennedy received these scholarships.

CALLING ALL ALUMNI!

As we work to safeguard the future of St. Hilary School, we reflect on the alumni who have already passed through these well-respected halls. Our former students have success stories to share that begin with the foundation laid right here on our campus. With more than 60 graduating classes now part of school history, we are compiling an updated database of St. Hilary School alumni and want to hear from our SHS graduates! Please email St. Hilary Parish Foundation Development Director Diane Sarkis at d.sarkis@sthilaryfoundation.org to share your name, contact information and a brief update on what you are doing now. We look forward to hearing from you!

WINDOW TO THE FUTURE ALMOST COMPLETE

The decade-long campaign spanning the years between St. Hilary School's 50th and 60th anniversaries is nearly complete. Only 12 Crystal Commemoratives remain to fill the window in the Morning Hall alcove and secure the \$1,280,000 fundraising goal to build the St. Hilary School Endowment Fund. The 12" x 12" panels are sold out, but there are 3 - 12" x 6" crystals available for \$5,000 each and 9 - 6" x 6" crystals available for \$2,500 each. Crystals can be paid for over 5 years. These beautiful etched beveled glass panels are a great way to honor a special person or occasion or memorialize your family's name as part of the St. Hilary community. Crystals are going fast, so don't miss your opportunity to be a part of this lasting legacy and help ensure that the future begins here for years to come.

her to St. Hilary. We knew at that time we had made the best decision and were excited to become members of the St. Hilary School family which had embraced us with open arms. We are not Catholics but are Christian and believe in the brotherhood of Christianity. Becca has been raised going to church and Sunday school. Receiving a scholarship allows Becca to continue her Christian education at a school she loves." Becca received the 2021-2022 Striving Saber Scholarship.

MULTIPLE CHILDREN, MULTIPLE BLESSINGS

First grader Bradley Bricker received the Knights of Columbus Scholarship and the Friend of St. Hilary Scholarship for 2021-2022. His brother, third grader Jimmy Bricker, previously received the Ralph and Florence Bernard Scholarship for the 2019-2020 school year. The boys' mom, Hilary Buckeye, attended Catholic school and wanted the same opportunity for her sons. "I feel that the values a Catholic school education gives to students help them thrive and grow into more well-rounded individuals. St. Hilary School not only provides my children with a great education, but also feels like a close-knit family. My children love their school," says Hilary. "I am very blessed and grateful for the St. Hilary Parish Foundation scholarships.

Jimmy and Bradley Bricker

Without this financial assistance, it would be very difficult for me to be able to send both my children to St. Hilary School. This assistance means more to my kids and me than I could ever explain in words."

Sixth grader Maggie Sejba was awarded the 2021-2022 St. Aloysius Scholarship. Her sister, eighth grader Annie, previously received the Sister Carol Joy Scholarship for the 2019-2020 school year. With two additional children enrolled in the school, Matt and Melanie, the girls' parents, say, "A Catholic education at St. Hilary School means that our children see and learn, every day, the same values that we teach and try to model at home. The receipt of these St. Hilary scholarships has allowed us to send all four children to St. Hilary while maintaining our goal of sending them all to one of the Catholic high schools in the area. We hope and pray that the investment that we, and the parish community, have made in them bears much fruit as they move out into the world to be agents of change."

These are just a few of the more than 100 students who have been awarded scholarships through the St. Hilary Parish Foundation since the scholarship program's inception in 2015. Although not identified here, the other

PLANNING CAN HELP ENSURE FUTURE

By planning ahead and considering what your faith can do, you can play a role in sustaining St. Hilary Parish and School for years to come. Your planning might include a personal contribution to add to those of others to help ensure the integrity of the St. Hilary community. Or, you might choose to give back by suggesting that others help change the world, making gifts in your memory. All of these gifts can help to build and sustain our Foundation.

By including the St. Hilary Parish Foundation in your estate planning, you will guarantee that your past will live on and help to secure the future of St. Hilary Parish and School. Naming the St. Hilary Parish Foundation as a beneficiary of your will, life insurance policy or retirement account, or planning to suggest donations to the Foundation upon your death, will foster gifts that can help to ensure the ongoing financial stability of St. Hilary Parish and School. To learn more about options for planned giving, please contact Diane Sarkis, Development Director, at 330-608-4787.

Your donations totaling \$431,165.80 received between November 1, 2020 and October 31, 2021 help us to continue to provide vital annual support for our church and school. This support comes through restricted donations designated for specific purposes, needs and/or projects, as well as unrestricted gifts directed to the areas of greatest need. We are extremely grateful for your faith-filled generosity to the following funds:

Unrestricted Funds	\$ 59,465.08
Specified Parish Funds	\$ 204,917.00
SHS Unrestricted Funds	\$ 127,996.72
Specified SHS Funds	\$ 1,900.00
SHS Scholarship/Tuition Assistance Funds	\$ 14,350.00
SHS Specified Scholarship Funds	\$ 22,537.00

LEGACY SOCIETY RECOGNIZES PLANNED GIVING

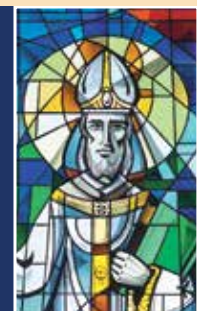

An important part of planned giving is ensuring that your contributions will continue to support your charitable interests through many generations. The St. Hilary Parish Foundation can help you achieve your long-term philanthropic goals and make an impact for those who come after you.

Donors who have made long-term commitments to the St. Hilary Parish Foundation through planned or deferred gift arrangements become members of the St. Hilary Legacy Society. Since the Legacy Society began in November 2003, bequests totaling more than \$3,306,213 have been received from or in memory of the following donors: Margaret Banker, Ralph L. Bernard, Sr., Olive and Joseph Cairns, Mary Jean Carrol, Edward L. Cope, Dorothy D'Andrea, Helen and Richard Eichner, Joanne Harm, Jean Hauser, Mary B. Metz, Antoinette Ruminski and Eugene Wilde.

These gifts to the Foundation were made possible because the individuals behind them recognized what their faith could do to support their St. Hilary community and planned accordingly. Just as the Legacy Society members who have passed away have planned to help build the future, your gift, or a donation in your memory, can make a difference, too.

If you have remembered the Foundation in your will or as a beneficiary of a life insurance or retirement account, please let us know so we can welcome you into the St. Hilary Legacy Society. If you are considering one of these lifelong legacy options, please contact Diane Sarkis at 330-608-4787 or Fr. Steve Brunovsky at 330-867-1055 for help with your decision.

WHAT faith CAN do

Continued from Page 8

scholarship recipients are equally grateful for the opportunity given to them by the Foundation, and the Foundation is pleased to support them in their pursuit of a Catholic education at St. Hilary School. For many of the recipients, the financial support a scholarship provides means the difference between remaining a St. Hilary School student and needing to find another educational option.

Annie and Maggie Sejba

WHAT CAN YOUR FAITH DO? HELP ENSURE THAT THE FUTURE BEGINS HERE!

Currently standing at over \$11,480,000.00, the Foundation was created for the uncertainty of what each new day, month and year may bring. Thankfully, through the foresight of the team that established the Foundation in 1976, for more than four decades, the Foundation has granted funds to support the needs of the parish and school. Since the first grant was made in 1979, the Foundation has given over \$4.5 million to subsidize these needs. Having the Foundation in place eliminates the need to plead from the pulpit for donations on a regular basis.

What can your faith do to support the Foundation in its work? As Jesus Himself said, "[I]f you have faith the size of a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you." (Matthew 17:20) Born of even the smallest faith, each donation to the St. Hilary Parish Foundation works with others to contribute to larger goals. Each donor has the ability to make an impact within our St. Hilary community, and when the power of each donor is combined with others, the effect is magnified. Show what your faith can do, and help ensure that "The Future Begins Here" through a gift to the St. Hilary Parish Foundation.

To learn more about how you can help to safeguard the future of St. Hilary Parish and School, please contact Diane Sarkis, Development Director, at 330-608-4787, for information about giving opportunities.

**Editor's Note: As the 2020-2021 school year began, social distancing forced St. Hilary School to turn away 50 students. Becca Gardiner was accepted into kindergarten after another family had a change of plans and a seat became available.*
