

ABUNDANTLY BLESSED: FOUNDATION SUPPORTS ARRAY OF NEEDS

For all St. Hilary Parishioners, Friends, and Donors | Fall 2018 Issue | Volume 15

We live in a world where abundant blessings surround us. From the sky above us, to the natural beauty that envelops us, to the food that nourishes us, we are richly blessed by these and so many other facets of life. The St. Hilary Parish Foundation is abundantly blessed by those who have shared their gifts and enabled the Foundation to underwrite an array of needs and amenities for our parish and school. With over \$8.6 million in holdings, Foundation funds make it possible to eliminate the need for requests for donations to be made from the pulpit during Masses. In the past year, there has been an especially large slate of items for which the Foundation has been blessed to provide a total of \$374,401.58 in funding.

Subsidizing Facility Renovation and Repair

The costliest and most significant project funded by the St. Hilary Parish Foundation this year was the replacement of the roof over a large portion of the school, including the school office and clinic, two classrooms, and the Media Center. One of many separate roof systems sheltering the school, this section of roof had experienced ongoing leaks that became progressively worse during the 2017-2018 school year. A process was initiated in January to begin researching the best option to

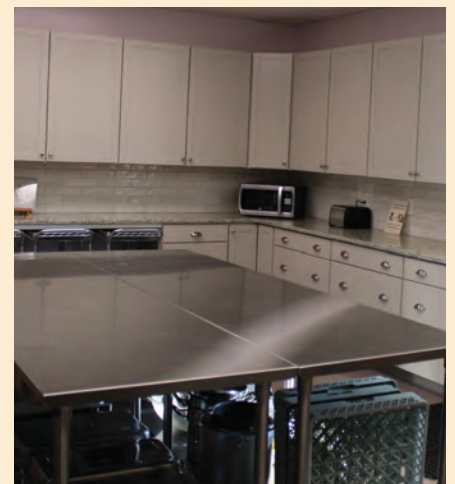

replace the roof and solicit bids. The roof was ultimately replaced during the summer, including a complete tear-off of the old roof and installation of new materials to ensure a water-proof seal. The Foundation contributed \$132,740.96 to the total project cost. The conclusion of work coincided with the beginning of the school year in August. With numerous rain storms since then, the roof has proven to be leak-free. The Spiritual Center kitchen also received a makeover, with the installation of new cabinetry, countertops and appliances. Originally built in 1990, the kitchen receives extensive use for various parish and school events. Funeral luncheons, parish gatherings, and breakfast and lunch events for students and parents are just a few of the functions for which this kitchen is used. With the Spiritual Center serving as a hub of daily life at St. Hilary, the original kitchen was well-used for nearly three decades. The Spiritual Center kitchen remodel, as well as a smaller facelift to the kitchen in the rectory, cost a total of \$81,713.89.

Additional facility updates included several flooring projects. New carpet and tile was installed in the Spiritual Center Meeting Rooms and Lower Level, at a total of \$23,845.00. These rooms are used daily for meetings and other events, and flooring in these areas, dating back to the original construction of the Spiritual Center in 1990, was showing visible wear and tear. In equally poor, if not worse, condition was the carpeting in the school office. Rippled and loose from water damage, and worn and faded

from heavy foot traffic, the wall-to-wall carpet was replaced with more functional carpet tiles, enabling any areas that might sustain damage or staining to simply be individually excised and replaced. The cost of this project was \$3,532.00. Two other areas of the school in which carpet was replaced were the Spanish Room and the Teachers' Lounge, each of which double as meeting rooms for both the school and the parish in the evening. Carpet in these two areas cost \$6,608.00. Flooring was also replaced in the Sacristy for \$2,600.00.

Rounding out the list of facility upgrades were several perhaps less noticeable projects, including the replacement of a boiler at the convent for \$6,000.00, the re-glazing of the large stained glass window in the rear of the church for \$2,265.00, and the replacement of acoustic treatment flanking that window for \$10,340.00. The stained glass window had been leaking, and re-glazing it and replacing the timeworn acoustic treatment surrounding it completes the updating

A grant from the Foundation's Hauser Fund, established by late parishioner Jean Hauser, enabled the Spiritual Center kitchen to be renovated.

60 BLESSED YEARS

ABUNDANT GRATITUDE FOR DONORS

DIRECTOR'S MESSAGE:

What are you abundantly grateful for? Is it your friends and family? Your faith? Your education? Your job? As the Development Director at the St. Hilary Parish Foundation, I feel abundant gratitude for the amenities the Foundation has been blessed

to provide for the St. Hilary community because of the generous support of our donors!

October 2018 marked my 15th year as Development Director of the St. Hilary Parish Foundation. I am truly grateful for the many blessings I have been given these last 15 years - personally and professionally. During that time, your generous support, as well as the management of our funds with investment and distribution policies set forth by the Foundation's Board of Trustees, have enabled the Foundation's assets to grow from \$1.3 million in 2003 to over \$8.6 million in 2018. At the same time, we have been able to distribute nearly \$2.19 million in grants for capital and operating needs, scholarships, tuition assistance, evangelization, religious vocations, technology, and security.

Since its inception, the Foundation has invested more than \$3.59 million in the church and school. This year alone, through your selfless generosity, we have received donations of just over \$368,350 and have distributed a little more than \$374,400 to the church and the school.

None of this would have been possible had it not been for the generosity of our many donors, as well as the commitment of the Foundation's Board of Trustees. I feel abundant gratitude for being able to be a part of the Foundation these past 15 years and for the generosity of all of the donors who have made possible the Foundation's growth and its ability to provide support to the church and school. Whether you have donated \$20 or have given a major gift, please know that your gifts mean the world to us, and without your continued support and commitment, we would not be able to grow our unrestricted and restricted funds to enable the Foundation to distribute necessary dollars to meet the needs of our church and school.

Even as we have provided for the past and present needs of the St. Hilary community, the Foundation must continue to grow its resources for the needs of tomorrow. Sound financial management principles dictate that only a small percentage of Foundation earnings can be distributed

each year, in order to continue to maintain the integrity and growth of the funds held by the Foundation. Therefore, continued donations are vital to sustain the work of the Foundation. To that end, I would be abundantly grateful if you would consider a gift to one of our many designated funds, establish a family named fund to address a need within the St. Hilary community that is important to you, or consider a donation to enable us to complete the Crystal Commemoratives school endowment campaign (see page 4 for details). Through your support and commitment to the Foundation, we will continue to make a difference at St. Hilary now and in the future.

With abundant gratitude,

Diane Sarkis
St. Hilary Parish Foundation
Development Director

Wish List

Would you like to fund a specific need of the St. Hilary community? One item requiring funding is of particular need: technology upgrades in the St. Hilary School classrooms, including replacement of aging SmartBoards with current educational technology, as well as new computers for teachers' use. Over the past several years, technology for individual student use has been improved greatly, with the addition of hundreds of iPads and Chromebooks, including 1:1 devices for students in grades 6, 7 and 8. However, SmartBoards throughout the school are approaching 15 years old and parts to repair them are either no longer available or so costly that they exceed the value of the devices themselves. These, along with antiquated computers teachers are still using on a daily basis, need to be replaced in order to maintain a technologically current learning environment in the school classrooms. It would be ideal to equip each teacher with a desktop computer to use in the classroom, as well as a tablet device to use in the many meetings and trainings teachers must attend. Contemporary interactive board technology, such as the Promethean Board, is desirable to replace the school's aging SmartBoards and provide students and teachers with a frontline tool widely used in educational and workplace settings today.

If you are interested in learning more about funding all or part of these items, please contact Diane Sarkis, Development Director, at 330-608-4787

PASTOR'S MESSAGE:

Abundant Blessings!

In the Gospel of Luke, Jesus tells a Parable about a man who had a good harvest. The man's first inclination at his good fortune is to build himself bigger barns to store his harvest, and then to rest and eat and drink well.

Jesus questions this decision, challenging the reader in turn to grow rich in the Kingdom of God. This would have resonated with Jesus' Jewish listeners, as the moral underpinnings of Jewish life understood that there was a responsibility in sharing with the needy the blessings received from God. Being blessed was a call, in turn, to be a blessing for others!

Think of the blessings you have received... blessings of faith, family, health, financial resources. Some blessings have come through hard work and sacrifice; some have come because of good decision making; and others have come mysteriously and wonderfully due to God's generosity in our life. Even some our challenges can be seen as a blessing, as they have brought us to a realization of what is truly important in life or to a deeper reliance on faith. Ultimately, our very life is a blessing from God, as is the world we live in!

This year St. Hilary Parish celebrates its 60th anniversary! Our theme is "A Faithful Past...An Abundant Future." We honor those who have gone before us whose generosity has provided the foundation of faith and thriving parish that we are now enjoying. Many have shared their financial blessings in abundance with the St. Hilary Foundation, and we are now benefiting from those blessings. But what about the future? Now is the time to share your abundant blessings, so as to ensure a bright tomorrow for St. Hilary Parish! Consider it an anniversary present! The Foundation will invest your donation so that it grows for many years to come, providing an annual source of support for the ministries of the parish and school.

St. Hilary Parish has been an abundant blessing in my life... I hope it has also been in yours. In this anniversary year we invite you to join in the abundance of blessings through a gift to the Foundation! Thanks and God Bless!

Fr. Steve Brunovsky
Pastor

Each gift honoring the memory of a life well lived can add to the abundance of our Foundation, bolstering its ability to serve the St. Hilary community. Since November 1, 2017, gifts totaling \$106,111.09 have been made in memory of the following individuals whose obituaries mentioned the St. Hilary Parish Foundation or who were spontaneously honored with memorial donations to the Foundation:

This type of gift can be a wonderful way to commemorate a special event or milestone, to honor an individual, or to present a symbolic gift to those whose blessings are already abundant. Gifts totaling \$4,050 in honor of the following individuals were made to the Foundation since November 1, 2017:

CRYSTAL COMMEMORATIVES: SHARING BLESSINGS TO SHAPE THE FUTURE

For nearly a decade, the Crystal Commemorative campaign has provided the perfect way for individuals to leave a legacy, remember a loved one or celebrate a special event while at the same time sharing their blessings and supporting the St. Hilary School Endowment Fund. This campaign will soon conclude, with the goal of raising \$1,280,000 almost complete. As the campaign ends, so, too, will your opportunity to create a beautiful, lasting memento that supports our parish school.

Crystal Commemoratives are stunning commemorative beveled glass panes that are individually crafted, etched and artfully and invisibly affixed to the windows overlooking the courtyard garden area in the hallway connecting the school and gymnasium. Each glass panel adjoins others to create a beautiful window representing the future of St. Hilary School. Together, these glass panels represent donations from supporters sharing their blessings and

hoping to help secure the viability of our parish school for many years to come.

Commitments and pledges of over 73%, or \$940,000, have been made to the St. Hilary School Endowment Fund. An additional \$340,000 is needed to reach our goal of \$1,280,000 for this campaign. There are only twelve 12" x 12", twenty-one 12" x 6", and forty-six 6" x 6" panels remaining, but if you act now, yours can be among the beautiful etched glass panels that comprise the Crystal Commemorative window. Is there a special student in your life? A teacher who has made a difference? A milestone you would like to commemorate? Or perhaps you would simply like to memorialize your family name in this elegant way? Please consider sharing your blessings by making a gift to the Crystal Commemorative campaign to help endow the future of our parish school. Blessings Flow From Planning

Sharing your blessings with the St. Hilary Parish Foundation is something you can plan for now that can be acted upon later. Is there a personal contribution you can make to add to those of others to help ensure the integrity of the St. Hilary community? Perhaps you will choose to give back by suggesting that others share their blessings, making gifts in your memory. All of these gifts can help to build and sustain our Foundation.

By including the St. Hilary Parish Foundation in your estate planning, you will guarantee that your past will live on and help to secure the future of St. Hilary Parish and School. Naming the St. Hilary Parish Foundation as a beneficiary of your will, life insurance policy or retirement account, or planning to suggest donations to the Foundation upon your death, will foster gifts that can help to ensure the financial stability of St. Hilary Parish and School for years to come. To learn more about options for planned giving, please contact Diane Sarkis, Development Director, at 330-608-4787.

Planned Giving is Focus of Legacy Society

The St. Hilary Parish Foundation can help you share blessings that will build a legacy of hope for future generations. We are dedicated to helping donors achieve their long-term philanthropic goals. An important part of planned giving is ensuring that your contributions will continue to support your charitable interests for generations to come. Donors who have made long-term commitments to the St. Hilary Parish Foundation through planned or deferred gift arrangements become members of the St. Hilary Legacy Society.

Since the Legacy Society began in November 2003, abundant bequests totaling more than \$3,258,244.85 have been received from or in memory of the following donors: Margaret Banker, Ralph L. Bernard, Sr., Olive and Joseph Cairns, Mary Jean Carroll, Edward L. Cope, Dorothy D'Andrea, Helen and Richard Eichner, Joanne Harm, Jean Hauser, Mary B. Metz, and Antoinette Ruminski.

These gifts would never have been made to the Foundation had the individuals behind them not had the foresight to plan for them. Just as the Legacy Society members who have passed away have planned to help build the future, your gift, or a donation in your memory, can make a difference, too.

If you have remembered the Foundation in your will or as a beneficiary of a life insurance policy or retirement account, please let us know so we can welcome you into the St. Hilary Legacy Society. If you are considering one of these lifelong legacy options, please contact Diane Sarkis at 330-608-4787 or Fr. Steve Brunovsky at 330-867-1055 for help with your decision.

We are abundantly grateful for the generous donations totaling \$370,609.11 received from November 1, 2017 through October 31, 2018 to the following Funds:

FOUNDATION'S BLESSINGS ALLOW ABUNDANT SUPPORT OF SCHOOL

Anthony Gore stands with his family after being named the recipient of the 2018 Kevin Thomas Neff Scholarship.

these scholarships are not published in order to protect the privacy of their families, as many of these scholarships are based on financial need. For the students and families who receive these generous gifts of assistance, the scholarships often mean the difference between being able to continue a St. Hilary School education and needing to look for another option.

Sharing Blessings and Honoring Legacies

Some of the scholarships supported by the St. Hilary Parish Foundation and its donors are awarded without the students or families applying for them, simply because the recipients are recognized as bearing qualities reminiscent of the individuals the scholarships promote. These include the Kevin Thomas Neff Scholarship, the Jane Klenotic Scholarship, the Jimmy Lyons Geography Bee Scholarship, and the St. Hilary Athletic Association Scholarship. While the Athletic Association Scholarship is directed to eighth grade recipients' high school tuition, each of the other scholarships is applied directly to awardees' St. Hilary School tuition.

The Kevin Thomas Neff Scholarship honors St. Hilary School graduate Kevin Neff, who died of a brain tumor while in high school. Through the Kevin Thomas Neff Scholarship Fund, the Foundation annually awards a \$1,250 scholarship to a seventh grader at the school who exemplifies the characteristics Kevin aspired to during his life. In the 2017-2018 school year, the Kevin Thomas Neff Scholarship was awarded to Anthony Gore.

The Jane Klenotic Scholarship honors long-time St. Hilary School second grade teacher Jane Klenotic, who lost her battle with cancer in 2014. The Jane Klenotic Scholarship Fund enables the Foundation to provide a \$1,000 award each spring to a second grader who has the attributes of spiritual, academic and personal character that were important to Jane. Katie Ann Bickett was the second grader chosen to receive the 2017-2018 Jane Klenotic Scholarship. The Jimmy Lyons Geography Bee Scholarship Fund was begun in

memory of St. Hilary School 2006 graduate Jimmy Lyons, who won the school's geography bee for four consecutive years between 2003 and 2006, was a state bee competitor, and passed away in 2011. This \$500 scholarship is awarded to the winner of the School's geography bee each year, going to Ryan Roman in January 2018.

Additionally, two \$500 St. Hilary Athletic Association scholarships are awarded through the Foundation each year to two St. Hilary School eighth grade student athletes who have participated in at least two St. Hilary athletic programs during their eighth grade school year, achieved first or second academic honors during the first, second, and third quarters of their eighth grade year, demonstrate good conduct and sportsmanship on and off the field of play, demonstrate and model Catholic values and morals, and are continuing their education at a Catholic high school. The scholarships are applied to the recipients' high school tuition. In May 2018, Olivia Scott and Steven Scott received these scholarships.

Looking to the Future

These scholarships would not be possible without the generosity of donors who share their blessings with the St. Hilary Parish Foundation. The Foundation relies upon each donor to augment its funds and enable continued support of St. Hilary School and its students. With the present and future needs of both the school and the parish in mind, the Foundation must work to maintain its resources at levels that will allow it to keep pace with these financial demands and safeguard the future. Your abundant support is valued greatly, for without it our school and our parish would not be able to provide the many services and amenities from which our St. Hilary community benefits. To explore opportunities to share your blessings with the St. Hilary Parish Foundation and the parish and school community it serves, please contact St. Hilary Parish Foundation Development Director Diane Sarkis at 330-608-4787.

ABUNDANTLY BLESSED: FOUNDATION SUPPORTS ARRAY OF NEEDS

Foundation funds provided for the replacement of one of a number of aging roof systems on the school building.

Continued from page 1

begun in the church over a year ago with fresh paint on all the walls and faux finishing in the shrines.

Supporting the School and its Students

The St. Hilary Parish Foundation again provided financial assistance to support students whose families desire a Catholic education at St. Hilary School. Scholarships totaling \$30,250.00 were awarded to students to be applied to 2018-2019 tuition. Please see page 8 for more information about these scholarships. Additionally, the Foundation granted \$25,000.00 in tuition assistance funds to be distributed to families with substantiated financial need. Without this assistance, the recipients of these funds might otherwise not be able to continue their education at St. Hilary School.

Another project the Foundation funded on behalf of the school was for the purpose of ensuring the safety of the students and staff in the building each day. Security has become an increasingly costly priority. Last spring, five additional cameras were installed in various locations inside and outside the school building. To accommodate observing the 11 cameras that keep a watchful eye on the school campus, a large flat screen monitor was also installed in the school office. The total cost of this security upgrade was \$7,240.67.

Just as school security has become increasingly reliant on technology, so has the business of educating students and keeping the school community informed. Along those lines, the Foundation also supplied \$7,619.00 for the purchase of Chromebooks for student use and a re-design of the school's website, last overhauled five years ago.

A few smaller school-related items funded by the Foundation in the past year include faculty and staff Christmas appreciation at \$4,256.60, buses for field trips at \$1,500.00, rosaries given to departing 8th grade families and funding toward the 8th grade awards luncheon at \$1,499.35, financial assistance for Latchkey fees at \$1,000.00, and Grandparents' Day hospitality at \$500.00.

Strengthening Parish Ministries

Providing funding to assist parish ministries in doing their work is another way in which the Foundation is blessed to support

Top: Security upgrades and new carpet in the school office were made possible through Foundation funds.

Bottom: The school faculty lounge and adjoining meeting room are used regularly for meetings of both school and parish groups. New carpet in both spaces was provided through Foundation funding.

Re-glazing of the large stained glass window at the back of the church, and installation of new acoustic treatment flanking the window, complete Foundation-funded updates to the church begun last year.

the parish. A total of \$13,258.04 was given to support evangelization efforts and education for religious vocations, two causes of utmost importance in sharing the Catholic faith. In addition, \$9,902.53 was supplied to purchase a new piano for the choir room and to fund *Lessons and Carols* and *Laetare* concerts at the parish. And finally, *YOUCAT* books were purchased for use by PSR students at a cost of \$2,730.54.

Sharing Your Blessings

Behind all of these items funded by the St. Hilary Parish Foundation in the past year are donors who have shared their abundant blessings to enable the Foundation to, in turn, bless the St. Hilary community in abundance. If you would like to share your blessings with the Foundation and help to safeguard the future of St. Hilary Parish and School, please contact Diane Sarkis, Development Director, at 330-608-4787, for information about giving opportunities.

Funding from the Foundation supported the purchase of a new piano for the choir, as well as new carpet and tile in multiple areas of the Spiritual Center.
